- Jaswinder strives to simplify and demystify complex legal matters, to explain them logically and without "jargon".
- He resolves and commits to the best possible commercial outcomes for his clients.
- Jaswinder supports his team at Goldman with the benefit of his 30 years' experience in; local and cross border international taxation, corporate finance, banking, structured finance, complex corporate and commercial, trusts, funds, commercialisation of IP, (including media and film), tax free zones and low tax jurisdictions, high net worth clients, family offices, wealth, tax, asset and estate planning generally.
- Under his leadership Goldman has developed considerable expertise in new age disruptive, innovative legal services using AI and leading edge technologies.
- Jaswinder firmly believes that "giving back" is extremely important. He will assist pro-bono, disadvantaged, significant clients to manifest proper law reform and justice.

Lectures & presentations

- At the age of 28 Jas was lecturing in international tax law to Masters' students. After 15 years of being a visiting fellow, he then decided it was high time to focus on commercialising legal solutions and innovative strategies for the benefit of clients.
- Jaswinder has also taught Law, Economics, Commerce, Accounting & MBA students at various leading universities and professional bodies in Australia including at the University of Sydney, University of Technology and at the Institute of Chartered Accountants in Australia.

Published books

- Jaswinder has co-authored many books for leading legal publishers as well as editing numerous international practitioner publications, relating to wealth, domestic and international taxation law.
- These books include:
 - *Barrett & Green's "Principles of Income Taxation", 3rd ed, Law Book Company, co- author.*
 - *"Income Taxation, Cases & Material's," co- author, 2nd and 3rd editions, Law Book Company.*
 - *"International Offshore Financial Centres Manual" CCH International Loose-leaf, founding editor.*
 - *"International Tax Handbook", 1990, CCH International, founding editor.*

Notable projects

- International Tax Planning Handbook (CCH)
- "The Matrix"
- "Lord of The Rings"
- "Gardasil" (HPV vaccine)
- Media Funds Management (Fund)
- EU Airline start-up- "Cobalt Air"
- RAK-IC (Ras Al Khaimah Free Zone International Company Registry)
- Goldman Lawyers and Global Legal Group as new age law firms

Personal bits

- **Aspirations;** Innovation and strategy in business, behavioural and human psychology, macro-economics, geo-politics & (the lack of) leadership.
- **Inspirations;** Positive energy and brain elasticity, anti-aging and science, great leaders, strategic thinkers and stoicism. Compassion, spiritualism and insight.
